CCP FOOD SAFETY PROGRAMME®

HACCP Australia Pty Ltd is a leading project management organisation specialising in the development, implementation and maintenance of Food Safety Programmes for the food service industry.

Our CCP Food Safety Programme® is designed for stand-alone customers in the food service industry and was developed in response to strong industry demand.

Programme Benefits Include;

- ✓ Improved food safety and quality through a system based on an internationally recognised risk management platform - HACCP.
- ✓ An appropriate level of due diligence for a food handling operation.
- ✓ Aligned with the key requirements of regulatory authorities.
- ✓ A strong point of differentiation in a safety conscious market.
- ✓ Peace of mind knowing that your outlet is operating to an appropriate standard and in compliance with food hygiene standards.
- ✓ A programme which is auditable by an external party.
- ✓ Demonstrate compliance with temperature control requirements of the national food safety standards.

The programme comprises:

- A minimum of three 1-hour visits on-site with a qualified food scientist project manager, including:
 - A detailed food safety compliance audit and report on the operation;
 - Opportunities for improvement session;
 - On-site implementation training.
 - CCP Food Safety Programme certification audit.
- Template documentation start-up kit.
- A high quality digital thermometer and calibration procedure.
- A printed copy of your food safety programme template printed and indexed in a folder.
- Upon certification you will receive;
 - One Year License
 - Telephone Support
 - Authorised Certificate
 - Window Display Decal

**The cost of the programme is \$1440 + GST (metro only)
(3 x \$480 instalments).**
